

MODERN ENERGY TAPPING FOUNDATION TRAINING

MET FOUNDATION | ONLINE TRAINING VIA ZOOM

Modern Energy Tapping Foundation, which is also known as Energy EFT Foundation, is a great course if you are looking to learn more about the energy tapping system to help improve health. It is beneficial not only for one's self, but also for others. You will learn about energy flow and how to apply what you learn to improve all aspects of one's life. Modern Energy Tapping will teach you skills that you can use on yourself and others to help gain emotional freedom from negative and low energy states. You can also help create high-energy states that are great for people to be able to grow in all areas of one's life.

The Modern Energy Tapping Foundation highly comprehensive, knowledgeable and practical course, with loads of ideas, tips and techniques that you can put forth to help improve all areas of your life.

This course is a live online training course that focuses on tapping to help heal yourself and others. It is a self-help course that will teach you the tools and skills of tapping.

If you would like to become a practitioner of Modern Energy Tapping, after finishing this course, you are able to move on to the Modern Energy Tapping Professional Training and become a certified practitioner.

This Modern Energy Tapping Foundation Training is a live online training course and is comprised of 4 levels and training that is done over the course of 2 days. Below you can find the outline of what the course entails and what you will be learning through this course.
